## First Holy Communion Mass - April 28th

We are excited for our First Communicants as they receive the Eucharist for their first time. Please keep them in your thoughts and say a prayer for them.

*Lord Jesus, Bless the children coming forward to receive Holy Communion for the first time. May this day be an initial step into a life-long love of the Eucharist. Give them a hunger for this sacred food so that they turn to you for comfort, guidance and wisdom as they grow into full discipleship. Thank you for their innocence and goodness. May their hands, extended in anticipation of your Body and Blood, inspire all of us to cherish this sacred sacrament. Amen*

## About Blest Art

Dating back to the 4th century A.D., native Christians of Palestine have used Olive Wood and mother-of-pearl materials to carve masterpieces of art to commemorate Jesus Christ, who once lived among them.

More than ever, the Christians of the Holy Land are facing an eminent threat of extinction. The number of Christians in the Holy Land has reached an alarming level. The remaining population is suffering economically, and every bit helps to create a new market for these remaining Christians.

### OUR MISSION

Here at Blest Art, our mission is simple, to encourage growth in the diminishing population by ensuring these beautiful handcrafted pieces can reach you, right to your doorstep. We work closely with Catholic churches in the United States to preserve the presence of Christianity in the Holy Land and bring awareness to their mission. Wars and violence have affected tourist trade so greatly that for centuries, many of the Christians in the Holy Land have based their livelihoods on creating and distributing these crafts.

The funds raised by Blest Art work predominately to serve as assistance to slow down the Christian emigration scheme. The work Blest Art has already done has given these people the faith and courage to stay in the Holy Land, as they are now able to support themselves and their families. In addition, the work we have done with the members of this community creates many new jobs for the Christian youth. We have also assisted several community programs, including schools, assisted living homes, churches and clinics.

Blest Art's work brings you the advantage of being able to reach out beyond your borders with uniquely, real, tangible and effective help. It is more than a hand-out as a collection plate would be, it is a hand-up for the Christians who want to live in peace and support their families with a centuries-old trade and way of life. Your support for these craftsmen and hard-working Christian artists helps to ensure a viable Christian presence in the land where the gospel was first preached.
