What is Shrove Tuesday and why is it celebrated?

It's the traditional feast day before the start of Lent on Ash Wednesday. Some people call it Fat Tuesday, some call it Mardi Gras, and some people just call it the "last day to get rid of all those sweets" before the midnight hour hits on Ash Wednesday.

In Great Britain, it's traditionally known as Shrove Tuesday, from the word "shrive". The faithful would traditionally go to Confession on this day and be "shriven" of their sins in preparation for Lent.

Tradition dates back to 600 A.D., when Pope St. Gregory prohibited Christians from eating all forms of meat and animal products, including dairy, during the 40 days of Lent. Christians abided by the rule and made pancakes on Shrove Tuesday in order to use up their supply of butter, milk, and eggs before Ash Wednesday.

For this same reason, Easter was celebrated with decorated eggs and fresh sweet breads. Nowadays, the rules are generally less strict, but Christians are still expected to abstain from eating meat on Ash Wednesday and every Friday during Lent, as well as fast on Ash Wednesday and Good Friday.
