## Do the Math

*Am 7:12-15 / Eph 1:3-14 / Mk 6:7-13*

Jesus sent the Twelve two by two in an effort to evangelize others. It is a simple plan, if you think about it ... a matter of multiplication and exponents! If the Twelve do their job well, then they send others and soon 12 becomes 24 and then 48 and so on! This is still the best plan for evangelizing others! You, as a missionary disciple, have been summoned and equipped by Jesus, and you have been sent to evangelize others. You do so in your words and your actions. You do so at home, at work, at the ball fields, at Mass, and even in the car! Are you conducting yourself in a way that will cause others to want to join you in the mission? Are you seeking opportunities throughout the day to share the Gospel in some way? The math only works if YOU work!
