Welcome Father Josh!

Father John Evans will take over the helm of Sacred Heart on July 3rd. Father Josh is a native son, he grew up right across the border of Frontenac, but North of the Battle Line (Atkinson)! He joins us from St. Cecelia Parish in Haysville, KS. While he will surely miss the people of St. Cecilia, he is excited to join all of us here at Sacred Heart. Please help us welcome him with open arms! And remember, we will all have time to get to meet and know Fr. Josh, so let's also make sure our welcoming hugs don't smother him before he has time to get settled... Welcome home Fr. Josh, and welcome to your new home and family here at Sacred Heart!!

Farewell Party for Father PJ will be on Sunday, June 27th at 1pm at Parish Hall. Please come and help us celebrate Father PJ and give him a proper send off to his new parish, St. James in Augusta, Kansas. Let's pray for Father PJ and all priests in their new assignments.

Reminder! There will be no daily Mass between Monday, June 28th to Friday, July 2nd. Father PJ will be transitioning to his next parish, and Father Josh will be transitioning in!

A Tender Shoot

Ez 17: 22-24 / 2 Cor 5:6-10 / Mk 4:26-34

Today's first reading offers a beautiful image of tearing off "a tender shoot" from a cedar tree and planting it on a high mountain. Most of us are quite familiar with the cedar tree – it's unique aroma and the supple nature of its young branches. Let's apply this image to our own discipleship. A tender shoot, torn off a more mature branch, can be planted straight into the ground. This little shoot—like you and I—may have been comfortable where it was, but it has been called to another task. It is young, but it has a powerful life force within it. This shoot has been carefully selected and planted with great purpose. Like this little branch, you and I are sometimes thrust into positions that we didn't choose; but we always have the ability to choose how we respond. FIAT means recognizing the life force within us and trusting God to use us as He sees fit.
