On August 2, 2022, we must protect women and babies by voting YES on the VALUE THEM BOTH Amendment to:

- Protect existing Kansas law that keeps babies from being aborted up to the moment of birth
- Prevent taxpayer-funded abortion and extreme procedures such as partial-birth and live-dismemberment abortions
- Preserve safeguards that require the abortion industry to protect women with important clinic safety standards

Come learn why "YES" is the pro-life vote!

Sacred Heart Community Food Pantry

The Sacred Heart Community Food Pantry has had another busy month for May, serving 93 area families with food, fresh vegetables and produce. The food pantry distributed 178 bags to clients. We want to thank our parish for their support in this project. We are eager to announce that we are waiting for the results of two grants that were written that will help us continue this ministry into the future. We also want to welcome Veda Maxwell to the pantry family of volunteers. Thanks again. ~The Food Pantry Committee

Key Message:

In 2019, an activist state court radically changed the Kansas Constitution, making it impossible to regulate abortion in even the simplest of ways.¹ Unlike our neighboring states, taxpayer-funded and late-term abortion could soon be 100% allowed in Kansas unless you vote “Yes” on the Value Them Both Amendment August 2.²

Voting “Yes” on the Value Them Both Amendment:

- **Restores our Constitution to the way it was** before a 2019 court ruling cleared the path for nearly unlimited abortion in Kansas.
- **Protects existing commonsense restrictions** on the abortion industry.
- **Safeguards Kansans’ ability to have:**
 - Parental notification for minor girls seeking abortion
 - Clinic inspection, safety & sanitation standards
 - Our state tax dollars kept from funding abortions until birth
- **Is supported by healthcare professionals** because commonsense regulations ensure women will be safer, healthier, and more protected.³

The Bottom Line:

Since this court ruling, Kansans have seen the largest increase in the number of abortions in over 25 years, with the majority performed on out-of-state residents.⁴

Kansans don’t want our state to become the abortion factory of the Midwest. We want limits and safety standards to protect women who live and visit here.

We must vote “Yes” to ensure Kansas does not remain a destination state for extreme abortions in unregulated facilities.

**A BRIEF AND ACCURATE SUMMARY ABOUT
VALUE THEM BOTH FOR PRIESTS AT MASS**

Hopefully you have heard about the Value Them Both amendment that is up for a vote on August 2nd. This amendment, if approved by voters like you and me, restores our Kansas Constitution to the way it was before an extreme court ruling cleared the path for the abortion industry to operate in Kansas with virtually no limits or restrictions.

Since that court decision, abortions in Kansas have been surging. Sadly, we are becoming a destination for abortion in the Midwest.

A YES vote protects bi-partisan restrictions on the abortion industry. A YES vote on Value Them Both is supported by all the Catholic Bishops of Kansas. It is also supported by a great many Kansas healthcare professionals. Commonsense regulations ensure women and babies will be safer, healthier, and more protected.

This is a separate issue from one being debated by the U.S. Supreme Court and the possible overturning of *Roe v. Wade*, a 1973 decision that legalized abortion in the United States.

Here is the important point: no matter what the U.S. Supreme Court decides on THAT issue, abortion in Kansas will still be virtually unlimited and unrestricted UNLESS we pass Value Them Both.

There are flyers and more information in the back of church. There is also a very informative web site at valuethemboth-dot-com.

Please vote YES on Value Them Both to stop the abortion industry from operating in Kansas with virtually no limits or restrictions.

Thank you.
