FORMED THE CATHOLIC FAITH ON DEMAND.
Say Yes to Christ: Allowing Jesus to be Lord of Your Whole Life by Scott Hahn
Mary conformed the entirety of her life to the Divine Will. In doing so, she became the model of perfect discipleship. In this talk, Dr. Scott Hahn discusses why we too should surrender our lives to the Lord.

FORMED THE CATHOLIC FAITH ON DEMAND.
Living Lent as a Family (Part 2 of 4)
Dr. Ben Akers sits down with Keenan and Bri Fitzpatrick, parents of four, to discuss liturgical living during Lent and marks of the Christian home in our world today.

Bishop Kemme would like your feedback!

The Diocese of Wichita is conducting a comprehensive feasibility study now through the end of March. If you have previously received this message elsewhere, thanks for your participation! After months of prayer and discussion, Bishop Carl A. Kemme, along with diocesan and lay leaders, have identified several extraordinary opportunities and needs that go beyond the day-to-day. Needs that will help to fulfill our mission to "go forth faithfully to preach the Gospel to all God's children and to evangelize today's culture."

Capital campaign under consideration

For this reason, the diocese is considering a capital campaign to address these priorities. But we need your help, your voice and your gifts. The decisions we make now and the steps we take can help the Catholic Church flourish in south-central Kansas – not just for today, but for generations to come.

Bishop Kemme is asking every Catholic family within the diocese to share their thoughts regarding our needs and proposed funding priorities, including:

- **Endowment funding to enhance teachers' salaries**
- **A new youth and family camp that will serve the entire diocese**
- **Additional support to help the underprivileged**
- **Complete repairs to the domes and windows of our Cathedral**
- **Parish Share funding to help address local needs**

Your feedback will help us refine these goals and priorities and determine the potential level of support within our community. If together we choose to move forward, the feasibility study will also provide us with information to identify prospective campaign leaders and establish a realistic campaign goal.

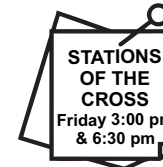

The Steier Group, a national Catholic development firm, is conducting the study on our behalf. The findings of the study, including the viability of a campaign, will be presented to us later this spring. At that time, we will make an informed and prayerful decision regarding how best to move forward. *Scan the QR Code to access the Feasibility Study Survey or pick up a printed copy.*

St. Patrick's Background

A fifth-century Christian missionary, Saint Patrick was born in Roman Britain in the late 4th century, before he was forcefully shipped to Ireland as a slave when he was just 16 years old. He found his faith while a group of Irish raiders held him prisoner. Saint Patrick escaped the shackles of subjugation, only to return to Ireland in 432 CE with the aim to propagate Christianity amongst the

Irish people. The patron saint instituted churches, monasteries, schools and other establishments in the country before he passed away on 17 March, 461 AD, etching that day in history forever. There are many myths and legends associated with the revered Christian saint, such as the story about him chasing all the snakes out of Ireland or using a three-leaf clover or shamrock, to teach pagans about the Holy Trinity (the Father, the Son and the Holy Spirit), given the significance of the number three in 5th-century pagan Ireland.

Mary's Way of the Cross

Friday's of Lent

Good Friday
April 7th
3:00 pm Only

Is not the Way of the Cross the way of every person's life? Doesn't every life have suffering, falls, hurts, rejections, condemnations, death, burial...and resurrection? It has been a Catholic tradition through the centuries to meditate on the Way of the Cross, so that it becomes our way of life. Mary, the Mother of Jesus, made that first way of the cross. These stations, called Mary's Way of the Cross, attempt to present that viewpoint. In these stations we see through Mary's eyes what Jesus was going through on the way of Calvary. Then we try to make practical applications to our lives. These stations and these words are not the heart of the matter; the heart of the matter is to go deeper and deeper into the sufferings of Christ, so that we might come out of this spiritual journey with an appreciation of what Christ did for us, and a deeper love for him and for our brothers and sisters. "We adore you, O Christ, and we praise you, because by your holy cross you have redeemed the world." ~ Rev Andrew Costello, C.Ss.R.
