Parish-Wide Survey

Sacred Heart will be participating in a parish survey about discipleship conducted by the Catholic Leadership Institute in conjunction with the Diocese of Wichita in response to the Synod called by Pope Francis! We need your help!

Please help us by participating in a 10-15 minute survey. The survey can be accessed through an online link found on the parish website (www.SacredHeartFrontenac.com) from April 1st to May 1st and will ask you to reflect on your own spiritual growth and enable you to provide feedback on our parish's efforts to help you grow. All responses will be confidential and the parish will only receive information about the community as whole. We will share the link with you a bit closer to the launch of the survey.

We are trying to get the highest response rate possible. This information will be invaluable to Fr. Josh on a parish level and our various ministries as we plan for the future and strive to be the best disciples we can be. The information will also provide insightful benchmarks to Bishop Kemme as he responds to the Synod called by Pope Francis. Sacred Heart will receive the results this spring/summer at which time we will share what we have learned with the entire parish.

If you prefer a paper copy you may pick up a paper copy of the survey after daily and Sunday Masses beginning April 1st. They will be located on the white table in the back of the Church. To submit the completed paper survey, please drop off in the gold box in the back of the Church. **Thank you for helping with this important project!**
