Drops of Light

Have you ever had a "more than coincidence" experience – something you "just knew" was a gift from above, a spiritual intervention, or a sign meant for you when you most needed it? Drops of Light is the title of an upcoming book; a collection of true, personal, spiritual, "more than coincidence" stories of God's presence in our lives. Please consider sending your own "more than coincidence" stories to a.beasley.pittsburg@gmail.com. Whether short and simple or lengthy and complex, your story should not be dismissed or forgotten. For more information, contact Amber Beasley at the email address above. Thank you!
