We invite you to be inspired by His life as you consider ways to serve this year. Stewardship packets were mailed to each family. Please return your 2022 commitments as soon as possible.

Stewardship Renewal

God is Good!

We have heard this phrase most of our lives and hopefully your experience, in both good times and trial, you have found this to be true. Blessings may not always be recognizable. As we become aware of our blessings, we grow in gratitude from all we have received from His hand. With a watchful eye and open heart, we see God in our lives. Being attuned to His ways creates a sense of gratitude and spirit of generosity.

For us at Sacred Heart, many have realized their spiritual fruits of this world and share generously. Through their gifts of prayer, participation, and giving, we serve nearly 379 parish families and operate a successful parish school of religion and serve the greater community with our food pantry. With our sights on the future, we know the importance of all members sharing their gifts so we can continue to meet the needs of our fellow parishioners.

It is now time to recommit to living stewardship as a way of life for the year 2022. My prayer is that each of you have engaged in an individual process of discernment, have accepted God's blessings in your lives, and have made commitments to give back to Him with gratitude.

The theme 'Given' focuses on the greatest of all gifts – the Eucharist. Jesus has given us his body and blood, his very life, in the Blessed Sacrament: but he has also given us a model to follow.

I thank you for your effort in our renewal process & pray that God may abundantly bless you and your family throughout this new church year. ~ Fr. Josh
