PADRE PIO BETWEEN HEAVEN AND EARTH

Based on the historical records and the personal testimony of his fellow friars, this is the amazing true story of the life of the famous stigmatic monk, St. Padre Pio, a contemporary saint who died in 1968. Filmed on location in Italy, starring Michele Placido in a moving performance, this film tells the whole story of the beloved monk from San Giovanni Rotondo, a place where millions of pilgrims now annually visit Padre Pio's grave.
